

PAVAI COLLEGE OF TECHNOLOGY,
NH-7 PACHAL, NAMAKKAL 637 018
ANNUAL REPORT 2010-11

Greetings from Pavai College of Technology!!!

We feel extremely delighted to register our accomplishment in the 2nd Annual Report of our college. Pavai College of Technology was initiated in the year 2009 with 4 branches in B.E- ECE, Civil, EEE & Mechanical with the intake of 240 students. We are marching in the path of success in leaps and bounds, with the current intake strength of 540 students.

- Our inspiring members of faculty proved that they are second to none by producing cent percent results, in 6 subjects, in the University Examinations.
- “Anyone who stops learning is old whether at 20 or 80”. Our highly motivated team of Faculty Members understands this well and most of them pursue their higher studies. To substantiate, 10 members of faculty have registered for and actively doing their Ph.D., Programme.
- “Research is to see what everybody else has seen and to think what nobody else has thought of”. Our faculty members and students are very keen and participative in various research activities.
 - Five faculty members have presented their research papers in both National and International Conferences.
 - Two of them participated in the workshop organized by reputed Engineering colleges.
 - More than 40 students have presented papers in various National Level Symposium and brought laurels by winning prizes.
- Besides academic learning, various programmes were organized with the noble aim of shaping our students’ character and attitude. In this connection an Orientation Programme with the motto “Learn, Live and Lead” was conducted on 13th and 14th May, 2010. Mr.S.S.Venkatesan, Corporate Trainer, Coimbatore motivated and trained the FIRST year B.E/B.Tech Hostel Students.

- “He loves his country best is the one who attempts to make it best”. Our students and Faculty Members recharged their patriotic spirit in the Independence Day Celebrations on 15.08.2010.
- The academic programme for the Second Batch of B.E./B.Tech commenced on 27.08.2010 in the august presence of “ISAI KAVI”, Thiru. Ramanan.
- To bridge the gap between the school education and college education, to make the students to settle down psychologically and to tune the minds of the Students, who are inducted in the academic year 2010-11, towards their collegiate education, a Personality development programme was arranged during Sept 02-03, 2010 and Sept 06-08, 2010 by the veteran International Jaycee Trainer Mr.T.K.Chandrasekaran and his team.
- “Those who educate children well are more to be honored than parents”. Our students paid their respect and honoured their teachers on occasion of Teachers’ Day Celebrations on 09th September.10.
- Four of our Faculty members took up Business English Certificate Course of Cambridge University on 26th September 2010 and came out successfully.
- In this fast moving world having firsthand knowledge on all spheres of life is not possible. Hence, one could learn through the experience of great personalities. Our students were provided with the opportunity of garnering the experience of Thiru. Saithai Duraisamy, Chairman, Manithaneyam IAS academic, Chennai on 13.10.2010 who guided and motivated our first year students to become an IAS officer
- A guest lecture on Laser Spectroscopy was organized by the Science and Humanities Department on 13th October 2010. Dr. N. Shanmugam of Annamalai University illuminated the students with his valuable notions on laser spectroscopy.
- IBM academic initiative programme on “The Great Mind Challenge-2010” was organized by Training and Placement department on 27.10.2010.
- Dr. Rekha Shetty, Managing Director, Farstar Distribution Network Ltd. Chennai expressed the ways and means of becoming a successful entrepreneur in her guest lecture “Innovate 90 days to transform your business” on 29.10.2010.

- The greatest barrier to success is the fear of failure, Thiru. V.K.T. Balan, MD, Madura Travels, Chennai gave guidelines to the students to overcome the obstacles in our life and spoke on the topic “Failures be the Stepstone” on 10.12.2010.
- ‘Viking’ Thiru. A.C. Eswaran, Chairman, Viking Group of Companies, Tiruppur addressed our students and explained to them the nuances in becoming a successful entrepreneur.
- The Youth Festival was conducted between 14th and 20th December 2010. The programme is organized to bring out the latent talents of the students in all walks of life.
- ‘Kavanagar’ Thirukural R. Gnaseburathinam enlightened the students about the power of human mind in his seminar on “Maname Maperum Sakthi” which was conducted on 24.12.2010
- With the noble aim of making the students to be ever aware of the happenings in and around us, A Special Lecture on “Raise and Reap” was organized on 03.01.2011. The guest of honour was ‘Iakoka’ N. Subramanian, Coimbatore.
- Our students are made to realize the importance of adhering to the traffic rules and safe journey through a special lecture on “Road Safety” by Tmt S. Madumathi IAS Collector, Namakkal on 06.01.2011.
- National Integration Day function was organized for school children on 07.01.2011. 170 teachers and 1670 students from 97 schools participated in various events and won prizes. Our students exhibited and explained their projects to the school students.
- In view of celebrating the Tamilar Thirunal Pongal with great pomp a debate was conducted on the title “Today’s youth are wasting their time or creating” on 12.01.2011 and the programme was telecast in the a local TV Channel.
- To highlight the importance of leadership quality and to make the students to acquire it, a special lecture was organized on “Lead to Manage”. Capt. R. Vijayakumar Executive Director, MMA, Chennai spoke to the students on 12.01.2011.

- The positive aspects of the team work are inculcated in the young minds of our students. They voluntarily and eagerly participate in the department association activities. The department of EEE & ECE inaugurated their association on 28.08.2010 and Civil & Mechanical initiated theirs on 29.01.2011.
- Our members of the faculty participated in a 5 day workshop on “High Impact Teaching Skills” conducted by Wipro Technologies between 14th Feb and 18th Feb 2011 as part of their Mission 10X programme.
- We provided the platform for the budding Engineers of various reputed Engineering Colleges to meet, to discuss and to present their ideas in our Mega National Level Technical Symposium TECHMANDRA’11 on 17.02.2011. Over 150 students from all over India participated in this grand programme.
- Various sports and games were conducted for the students and prizes were distributed to winners and runners in the Annual Sports day celebrations on 24.02.2011. Mrs. Shiny Wilson, Padma Shree and Arjun awardee and best sports woman in athletics was the chief guest.
- Dr. Kumara Babu, one of the leading psychiatrists, explained how the brain functions and its power in his special lecture on “Man Power vs Mind Power”, which was organized on 25th Feb 2011.
- In view of the celebration of National Science Day, a Guest Lecture was organized by the Science and Humanities Department on 28th Feb 2011. Dr. K.R. Murali, Deputy Director, Central Electro Chemical Research Institute, Karaikudi delivered a special lecture on “Modern Engineering Materials’.

We have dedicated faculty members and well disciplined students. At this juncture, I assure you that we will grow further, excel with a remarkable progress through the continuous patronage and guidance from our Management.

Thank you.

Dr. J. Sundararajan
